To Whom It May Concern:

In April 2018, the Greater Park Hill Community, Inc. (GPHC) Board of Governors voted in favor of a resolution regarding the future of the Park Hill Golf Course land. The resolution, in summary, called on public officials of the City and County of Denver to take all actions necessary to preserve the conservation easement.

A neighborhood-wide survey conducted in late 2019 further supports this position. The formal, statistically valid survey was commissioned by GPHC and was conducted by National Research Center.

As of January 25, 2020, this remains the position of the GPHC Board until such time as there are new developments and/or new information presented, which could compel a reassessment of the issue.

Sincerely,
